Learning story

CHILD | DATE | EDUCATOR

TITLE OF THE MOMENT

Observation

What happened, in the order it happened. Only what you saw and heard. Put the child's own words in quotation marks, exactly as they said them. No words yet? Describe gestures, sounds and gaze.

What learning we noticed

What this shows about the child as a learner: dispositions such as curiosity, persistence or cooperation, thinking skills, or relationships.

EYLF V2.0 outcome links

One or two outcomes the moment shows, with one sentence of evidence for each.

☐ 1 Identity ☐ 2 Connected with and contribute to their world ☐ 3 Wellbeing ☐ 4 Confident and involved learners ☐ 5 Effective communicators

Where to next (intentional teaching)

What we will plan, offer or extend, and how we will know it is working.

Family voice

A question to ask at home, or space for the family's comment.
