TE WHĀRIKI · AOTEAROA NEW ZEALAND

Learning story

CHILD | DATE | EDUCATOR

TITLE OF THE MOMENT

Learning story

What happened, in the order it happened. Only what you saw and heard. Put the child's own words in quotation marks, exactly as they said them. No words yet? Describe gestures, sounds and gaze.

What learning happened?

What this shows about the child as a learner: a disposition (taking an interest, being involved, persisting, expressing an idea, taking responsibility), a working theory, or a new skill.

Te Whāriki links

One or two strands, the learning outcome the moment shows, and one sentence of evidence for each.

☐ Mana atua | Wellbeing ☐ Mana whenua | Belonging ☐ Mana tangata | Contribution

☐ Mana reo | Communication ☐ Mana aotūroa | Exploration

Where to next?

What we will offer, extend or watch for. Specific to this child and this interest.

Whānau voice

A question to ask at home, or space for the family's comment or story.

Strands as named in Te Whāriki (Ministry of Education, 2017).
Headings follow notice, recognise, respond. Change them to suit your service.
